

TRIPLE-R

1000 ELITE

Developed around the uncompromising requirements of the professional motorsport market, the Triple-R 1000 Elite is setting the new standard in auxiliary driving lights. Delivering huge distance and fantastic mid-range spread, the flag ship in the Triple-R range incorporates patent-pending *Charged Air Cooling* which boosts light output while the vehicle is in motion. Magnesium components reduce weight, and the most advanced component technology available combine with our *Boost optic* system to deliver incredible performance for Race, Rally and Off-road applications.
